Mr. Graham Strachan
Aquatain Products Pty Ltd.
P.O. Box 1007
Kyneton
Victoria 3444
Australia

Dear Mr. Strachan:

This letter acknowledges that NSF *International* has Certified the product below to NSF/ANSI Standard 60 (Drinking Water Treatment Chemicals-Health Effects) for Aquatain Products Pty Ltd.:

Product Name: WaterGuard

End Use Function: The product is designed for the treatment of surface water before it enters the drinking water treatment plant and may be added to drinking water reservoirs at a rate of 1 mL per square meter of water surface. This application rate is based on the average reservoir depth of 5 meters or greater.

Production Location: Ennis, Texas, U.S.A.

This NSF certification is active as of today's date. All NSF Standard 60 product Listings are maintained on the NSF web site, www.nsf.org (Drinking Water Treatment Chemicals Listings).

Please let me know if you have questions, or if I can be of further assistance.

Sincerely,

Blake Stark
